Options for Cremated Remains

Temporary Container

Unless instructed otherwise we would hold the cremated remains in one of these 'polyurns' or other suitable temporary container.

Our charges include collection of the cremated remains from a local crematorium and holding in our Chapel of Rest for up to 3 months.

Wooden Cremated Remains Caskets

All these cremated remains caskets are suitable for interments where a wooden casket is required and come with a brass name plate. Other styles and finishes are available.

Garden Ornaments

A selection of garden ornaments are available, which are able to hold cremated remains, usually in the stem of the item. This allows your loved ones cremated remains to be outside, but you would be able to move them at any point to another place if you so wished. An engraved name plate is provided with the item.

Birdbath

Sundial

Memory Bear

A sealed container is placed in the back of the bear, to hold a small amount of cremated remains securely.

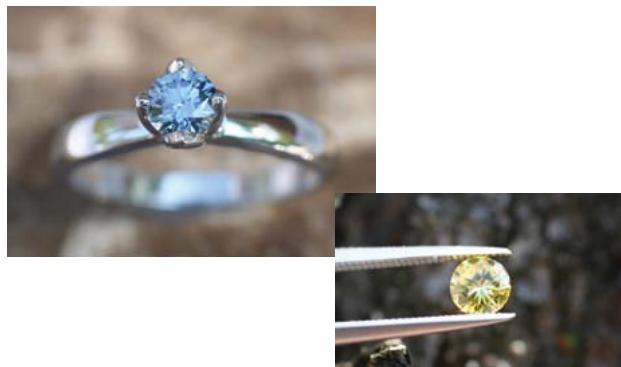

Ashes into Glass

Paperweights, necklaces, earrings, cufflinks and rings can be made by "Ashes into Glass", where a small amount of cremated remains are added to the glass. A variety of different coloured glass is available, and a message can be engraved on certain items.

Life Gem

Life Gem are able to produce diamonds from cremated remains or hair. The range gives you the option of a variety of cuts, colours & size of diamond. Please ask for further details.

Fireworks

If you wish to scatter a loved ones cremated remains, and feel it may be appropriate to do this by releasing them via firework, we can arrange this. “Heavens above Fireworks” can do this by placing an amount of cremated remains in a specially created firework.

Keepsake Boxes

Small metal personalised box's are available to hold a small amount of cremated remains or other items such as locks of hair or small personal items. An image of a loved one can be engraved on as well as their name or other suitable wording.
